EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In The Specification:

In page 1, line 5, insert,

-- This is a continuation of International patent application No. PCT/JP01/00753, filed February 02, 2001.--

Prior Art Citation

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Watanabe et al. (5,343,454) and Baba (5,953,296), both disclose a correction apparatus having the ability of correcting and adjusting control information based on calculations of the input information.

Reasons For Allowance

The following is an Examiner's Statement of Reasons for Allowance:

The prior art of record alone or in combination does not teach or suggest the correction method, circuit and apparatus having the combination of steps and elements with their recited process, arrangement and structure, along with the specific steps and structure of the calculation sections, adjusting sections, same-signal pairs sections and adjusting sections, as set forth in the claims, and as disclosed in the specification.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the
